# Santulan Calm

## Restoring emotional balance and nervous system harmony

Santulan Calm offers a nurturing space to gently release tension and cultivate lasting inner peace. Through a blend of silence, mindful breathing, sound healing and alignment with natural rhythms, this program supports both body and mind in achieving emotional stability and nervous system balance.

Ideal for those navigating emotional challenges—such as anxiety, mood fluctuations, postpartum transitions, perimenopausal changes or general stress—Santulan Calm fosters strength, clarity and a renewed sense of calm.

It may also benefit individuals recovering from emotional trauma or seeking deeper nervous system regulation through reflective, somatic care.

Suggested Duration: 3 / 5 / 7 days

# Hridaya Gift

## A gift of self-love and emotional renewal

Hridaya Gift is a thoughtfully curated wellness experience, ideal for sharing with a loved one—or gifting to oneself. This gentle and nurturing program invites emotional healing through Ayurvedic herbal support, reflective practices and therapeutic care. Designed as a heartfelt journey, it encourages rest, reconnection and a return to inner calm—making it a meaningful expression of love, care and renewal.

Suggested Duration: 3 / 5 / 7 days

# Taruni Bloom

## Early womanhood journey for menstrual harmony

Taruni Bloom offers a gentle Ayurvedic foundation for young women as they step into early womanhood. The program encourages menstrual cycle awareness, emotional balance and self-acceptance, while nurturing body confidence and inner strength. It also subtly prepares participants for future life stages such as marriage and fertility, fostering clarity, self-trust and feminine well-being in a safe and supportive space.

Suggested Duration: 3 / 5 / 7 days

# Mātrṛtva Nest

## Postpartum wellness for mother and child

Mātrṛtva Nest offers a gentle and deeply nourishing experience for new mothers and their newborns. Rooted in Ayurvedic postnatal care, this program supports physical recovery, emotional well-being and the sacred bond between mother and baby. Special focus is placed on womb healing, enhanced lactation and daily care routines for both mother and child. With the utmost care and safety, trained and experienced practitioners guide every step of the journey—ensuring comfort, confidence and holistic support during this delicate phase of life.

Suggested Duration: 7 / 14 / 21 days

# Jiva Flex

## Functional strength and joint-muscle harmony

JivaFlex is thoughtfully designed treatment to support women experiencing musculoskeletal concerns or the effects of sedentary fatigue. This program combines energizing yet gentle movement therapies with targeted herbal nourishment to promote flexibility, strength and overall joint-muscle harmony. Through carefully crafted strengthening treatments, JivaFlex helps restore vitality, improve physical function and encourage ease of movement for lasting wellness.

Suggested Duration: 5 / 7 / 10 days

# Nidrayana

## Ayurvedic reset for sleep and deep rest

Nidrayana is a calming and restorative program specially designed for those experiencing sleep disturbances, chronic fatigue, or restlessness. It gently supports the body's natural sleep rhythms through soothing Ayurvedic therapies, grounding rituals and mind-body relaxation techniques. This journey encourages deep rest, a nervous system reset and renewed energy—helping to restore a natural state of ease and inner stillness.

Suggested Duration: 5 / 7 / 10 days

# Annapoorna Glow

**Skin, hair & gut nourishment  
through Ayurvedic food wisdom**

Annapoorna Glow is a holistic nourishment journey that revitalizes the digestive system, enhances skin radiance and strengthens hair health—naturally and sustainably. Rooted in Ayurvedic food principles, the program combines digestive reset protocols with mindful eating, seasonal recipes and beauty rituals tailored to your dosha. As the gut heals and rebalances, your outer glow begins to reflect your inner vitality.

Suggested Duration: 5 / 7 / 10 days

# Shakti Rhythm

## Hormonal balance through Ayurvedic rhythms

ShaktiRhythm is a cyclical wellness program designed to support women through the natural transitions of their hormonal journey—from menarche to menopause. It emphasizes menstrual health and hormonal balance, offering holistic support for irregular cycles, PMS and related imbalances. Rooted in Ayurveda and aligned with the moon's rhythms, the program integrates herbal formulations, rejuvenating therapies and emotional wellness practices. It nurtures balance, vitality and inner harmony throughout every phase of a woman's life.

Suggested Duration: 7 / 10 / 14 days

# Tejas Womb

## Awakening fertility and creative energy

Tejas Womb offers a sacred space to deeply connect with fertility—honoring its physical, emotional and creative dimensions. Inspired by feminine cycles, womb meditation and nourishing Ayurvedic practices, this program supports uterine health and addresses fertility-related concerns such as PCOD, PCOS, irregular menstrual cycles, hormonal imbalances, endometriosis and other reproductive challenges. Designed to enhance feminine energy and vitality, it promotes holistic reproductive wellness and creative renewal.

Suggested Duration: 7 / 10 / 14 days

# Suvarna Grace

## Graceful ageing and timeless inner radiance

Suvarna Grace offers a holistic approach to rejuvenation, supporting vitality and promoting healthy, radiant skin. Through Ayurvedic self-care rituals and balanced hormonal support, this program encourages graceful ageing by nurturing overall well-being. Mindful weight management is gently integrated to enhance physical ease and balance, complementing the journey toward sustained inner glow and timeless beauty.

Suggested Duration: 7 / 10 / 14 days
